PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 01/28/2021 and 02/04/2021.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

10	Special Condition #11: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
----	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Supporting Evidence: It is alleged Ms. Sherwood violated the terms of her supervised release by failing to provide a urinalysis as directed on February 10 and 17, 2021, a direct violation of special condition number 11.

Ms. Sherwood's conditions of supervised release were reviewed with her on May 18, 2020, and she acknowledged an understanding of the terms and conditions of her supervised release.

On November 24, 2020, Ms. Sherwood was advised she would be placed on the phase urinalysis testing program at Pioneer Human Services (PHS). She was further advised she

would be on the urinalysis testing color gold-3. She was directed to call the testing line every day, and was to report to PHS on the days gold-3 was called, in order to submit a urinalysis. Ms. Sherwood acknowledged an understanding of this process.

On February 10, 2021, without being excused by U.S. Probation, Ms. Sherwood failed to provide a urinalysis after her assigned color, gold-3, was called. In response to Ms. Sherwood failing to provide a urinalysis on February 10, 2021, she was directed by U.S. Probation to provide a urinalysis on February 17, 2021, after her initial appearance. Per PHS, Ms. Sherwood arrived at PHS 15 minutes before their closing time, in which she was unable to provide a urinalysis in time before their closing.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
